Shelby County Democratic Party sues over, and warns public about, bogus ballots

google.com

I've been approached by people who have directed me to this story

Seems the DNC is suing over the exact ballot that I'm handing out

It's just an injunction to try and slow down the ballot

iMessage

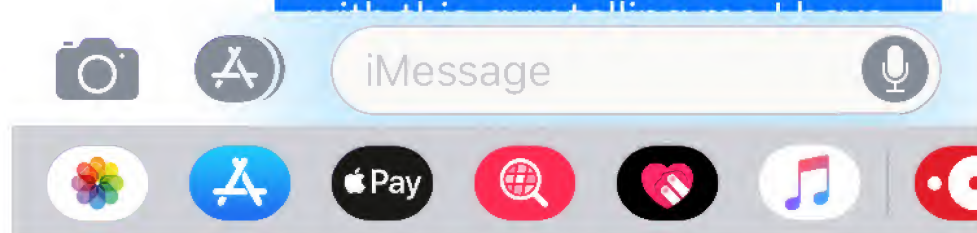

Why would Democrat's try and slow down their own ballot

There nothing to sue over. A democratic group made a democratic ballot with their own name. Shelby county Democratic Party hasn't been doing well after a pretty big scandal a few years ago

They're trying to slow it down because they don't agree with all the choices. But it was a citizen endorsed ballot and the Democratic Party couldn't put anything else out, so this is what there is

Ok. Well that information may have been helpful on the front end instead of having me standing out here like an idiot

Yeah sorry. We tried to cover that all in the meeting. That people would be out trying to intimidate you. It's just competition

I'll still hand out your stuff because I want to get paid. But this seems like some shadowing political bs coming from a lot of sides

It definitely is man. Politics is a dark game

Are you still good to come back out?

So I just heard that a judge issued a temporary restraining order on the ballots I was handing out. My phone was dead at the time and I didn't know what to do so I came home to charge my phone and text you what I should do

It's not true

You can head back out if you want to

I get it if not

What isn't true

That the ballots don't have a

Yeah they never got that approved. It was a tactic that didn't work

Well no. I was shown a ruling signed by a judge saying there was a temporary restraining order. And if I hand out these ballots I am violating that ruling

Dude this is some sketchy shit. Very unimpressive. I'll be coming by the office to get my money

Are you sure? Then you'll be implicated in our crimes

Once I was made aware of the ruling I stopped handing out ballots

Lol. I'm not implicated

And I never said crimes. This is just petty politics bullshit that I don't want to be a part of

I'll be by the office in 20 for my money

Delivered

We won't be there then. Try 4:30. I'll be back
